Product Specification Sheet

Targus Ultra Mini 5-Button Optical Mouse

Part #: AMU0901US

Product Description:

The Targus Ultra Mini 5-Button Optical Mouse is one of the smallest mice on the market to incorporate five navigational buttons on its tiny exterior. Two buttons on the top of the mouse are preprogrammed for easy forward-page/back-page navigation through the Internet while the retractable cord and slim design allow for travel convenience. This stylish, convenient mouse also uses the latest optical technology for precision and accuracy in response to mouse movements. Both compact and lightweight, the Targus Ultra Mini 5-Button Optical Mouse is the perfect accessory for the mobile user who is tight on space.

Product Features and Specifications:

- Use 4th and 5th buttons for "back" and "forward" Internet navigation
- **Ideal for travel or home office:** Small, compact design with retractable USB cable is perfect when space is limited—on an airplane tray, desk or home office
- **Optical sensor technology:** The latest optical sensor technology ensures a precise response to mouse movements
